

MEMORANDUM

To: Maryland Motor Truck Association & BESTPASS Toll Customers

Re: Changes to Your E-ZPass Account

Date: November 2011

Thank you for being a Maryland Motor Truck Association/BESTPASS toll customer. Effective January 1, 2012 the Maryland Transportation Authority, which is the issuing agency for your E-ZPass toll transponders, is increasing its tolls at most toll facilities statewide. Coupled with that toll increase is a change to the discount structure that is offered on Maryland's toll roads. Below is a summary of the new discounts that will be offered by Maryland Motor Truck Association and BESTPASS on your toll account.

<b>New MMTA/BESTPASS Maryland Toll Discounts as of 1/1/12</b> <b>(Discounts will apply only to 5+ axle vehicles)<sup>1</sup></b>	
<u>Maryland Monthly Usage</u>	<u>Discount %</u>
\$0 - \$149	2%
\$150 - \$1,999	12%
\$2,000 - \$7,499	17%
\$7,500 or more	20%

Currently Maryland offers an additional 10% "frequent user/supplemental rebate" discount specifically for those three or more axle vehicles that make 100+ trips on any of Maryland's toll roads (excluding the ICC). That program is being eliminated for three and four axle vehicles, and is being adjusted to make it easier for five axle vehicles to achieve an additional savings. Here is the new schedule.

<b>Frequent User/Supplemental Rebate</b> <b>(applies to single transponders in 5+ axle vehicles only)</b>	
<u>Transponder Trips</u>	<u>Rebate for MD Tolls on that Single Transponder</u>
60-79	5%
80-99	10%
100+	15%

This discount is not based on your entire fleet's number of trips. It only applies to single transponders that make the required number of trips in a billing cycle.

These changes are reflected in our revised Terms & Conditions, which are attached for your records. These new terms replace those to which you agreed when you established your account.

Please contact us if you have any questions or concerns. Thank you again for your business.
