We at BESTPASS realize and understand the burden toll rate increases place on our customers. Please be assured we are doing all we can to secure additional discounts to offset or minimize the impact, but we are dealing with state agencies so we have little control over their response times or decisions. We appreciate your patience and support.

Please do not hesitate to contact our Customer Support team at 1-888-410-9696 with any questions. Thank you.

Sincerely,  
BESTPASS, Inc.
